

Dr Baiju Senadhipan

MS (General Surgery), DNB (General Surgery), MCh (Surgical Gastroenterology)

Dr.Senadhipan is the Senior Consultant & Head of the Department of GI, HPB, Bariatric & Transplant Services of SK Hospital at Trivandrum, Kerala, India. He is a Visiting Consultant at Sree Chitra Tirunal Institute of Medical Sciences, Thiruvananthapuram and Meditrina Hospital, Kollam. He is the only Consultant in GI Surgery who has got the license to practise in Dubai. He is the erstwhile Professor, Dept of Surgery, in Travancore Medical College, Kerala.

Dr Senadhipan is an eminent leader of Keyhole Surgery, which is also known as laparoscopic or minimally invasive surgery. He is an international expert in Cancer Keyhole Surgery for gastrointestinal cancers such as that of the food pipe, stomach, liver, pancreas, bile duct, small and large intestines and in rectum. He has successfully performed more than 5000 complex gastrointestinal cancer surgeries laparoscopically placing him amongst the most experienced in the world

Dr Senadhipan has significantly contributed to the advancement of keyhole surgery in India through pioneering the technique since late 1990s and through extensive teaching of peers and junior surgeons. Dr Senadhipan was the **first Indian Surgeon** to perform **Laparoscopic Coloplasty for Benign Oesophageal Stricture**. He is also the **first Indian** to perform **Laparoscopic Re-Do Hepato Jejunostomy for HJ Stricture**. He is one of the few surgeons in India to perform complex Laparoscopic procedures like Whipple's Resection, Liver resections, Colorectal Surgeries and Metabolic surgeries like Diverted Ileal Interposition. Dr Baiju has so far performed more than 1600 laparoscopic colorectal surgeries and more than 50 Laparoscopic Whipples procedures with good results. He routinely performs other Complex Open and Lap surgeries as well as Endoscopic surgeries like ERCP and Endoscopic Ultrasound. Through early adoption, continuous learning and teaching, he has significantly contributed to the advancement of laparoscopy in India to transform surgical care to patients with GI Cancers, Benign GI Diseases, and Morbid Obesity.

Dr Senadhipan is an international educator. His prominent **international teaching assignments** include Visiting Professor, Asia Pacific Advanced Course in Laparoscopic Colorectal and Transanal Surgery, **IRCAD Taiwan**, October 2016, 4th International Upper GI Master Class, Cardinal Santose Medical Centre, Manila, Philippines, September 2019, 21st International Workshop, Asia Endosurgery Task force, **Fuji, Japan** 2014, 3rd Biennial meeting Euro Asian Colo rectal Technologies Association at **Singapore** 2013 and in CME on Advanced Laparoscopic GI surgery, Srilanka Society of Gastroenterology, National Hospital of **Srilanka** in March 2014.

Dr Senadhipan trains hundreds of surgeons in India every year. He has **taught at more than 100 national congresses and hundreds of local meetings more often as operating faculty** in the recent years. He has also organized congresses to benefit skill development of local surgeons in Kerala such as Annual Conference of Association of Surgical Gastroenterologists of Kerala at Trivandrum in March 2015, AWRCO KERALA at Trivandrum in May 2019 being the most recent in this series. The Association of Surgical Gastroenterologists of Kerala is the brainchild of Dr. Baiju Senadhipan and he was its founder secretary. Dr Baiju was also an examiner at AMASI Skill Course and FMAS Examination, AMASI, Kovalam, 2015. He conducts Fellowship programs in Advanced Laparoscopy under the banner of Senadhipan Education Foundation which attracts aspiring surgeons interested in Laparoscopic Onco Surgery across the globe.

Dr Senadhipan has **published** and **presented** papers internationally. Two of his recent coauthored papers are "Laparoscopic Liver resection: Wedge resection to living donor hepatectomy; are we heading in the right

direction?" in World J gastroenterol Oct 2014;20(37):13369-13381 and "Imaging of peritoneal ligament in endoscopic ultrasound" Euro EUS Meeting 2014, Vol 3; issue 5: pp 16-17.

Dr Senadhipan **won Best Video Presentation Award:** (Laparoscopic Whipple's) at IHPBA INDIA 2014, and Best Paper Award **at Dubai** at Annual Conference of Association of Minimal Access Surgeons of India, 2014, to name a few.

Dr Senadhipan has been honoured with **Karmaratna Award** in 2018 by Media City Channel, **Asianet Excellence award in 2018** by Asianet channel, **EM Sankaran Memorial award** by EMS Samskarika Samithi in 2017, **K.R.Narayanan National Founder Award** in 2015 and **International Malayali Achievement Award**, Malayali Association, Singapore 2012 for his immense contribution to patients and society. He has been twice recognised by Rotary International for **Vocational Excellence Award**

Dr Senadhipan is **trained in Robotic Surgery** in Korea 2012, **Lap Donor Hepatectomy** training in Korea 2015, Training in Radio Frequency Ablation of liver tumors in Taiwan 2008, Training in Advanced Laparoscopic Surgery, Korea 2006. SENADHIPAN EDUCATION FOUNDATION

SENADHIPAN EDUCATION FOUNDATION is an educational initiative by Dr. Baiju Senadhipan, which was established in 2012 with the objective to impart knowledge and skills in laparoscopic surgery, to aspiring surgeons across the world. The foundation was inaugurated by Prof.Seon Han Kim from Korea, on the 30th of

Jan 2012 at Taj Vivanta, Trivandrum, India, by releasing a set of educational DVDs on advanced laparoscopic surgery. Thereafter skill transfer courses, hands on fellowship courses on laparoscopic training, live streaming of laparoscopic surgery are being organized under the aegis of the foundation on a regular basis. With the advent of covid-19 pandemic, by the end of June 2020, the foundation started organizing international webinars on a weekly basis, with contribution from world renowned experts as faculty and participants. July 2020 saw the release of the logo of SENADHIPAN EDUCATION FOUNDATION by Prof.C.Palanivelu. From June 2020 to October 2022, 50 such webinars were organized by the foundation with global participation from more than 60 countries.

SENADHIPAN EDUCATION FOUNDATION INTERNATIONAL FELLOWSHIP

SENADHIPAN EDUCATION FOUNDATION has started free International Fellowship programme in Minimally Invasive Hepato Pancreatico Biliary surgery at Tokyo Medical University , Japan to help the aspiring surgeons across the globe. The applications are invited worldwide and the deserving candidates are selected, after scrutiny of their application, to be send to Tokyo Medical University every month. They are given free accommodation and training in collaboration with Tokyo Medical University.
